

Fundraising Tips

Set a goal for yourself! Be ambitious but make it achievable.

Make it Personal! When asking friends and family for money, let them know why you are motivated to help Kerr Street Ministries. Read our Talking Points and share the facts.

Make it easy and relatable! For example, ask your friends to eat in tonight and donate what they would have spent on a dinner out.

Send Thank You notes to everyone who donates!

Draw your friends and family to your fundraising webpage! Send e-mails and eCards. Post the link to your fundraising webpage on your Facebook and Twitter pages. Be creative. Add a note to your email signature and desktop screensaver about your fundraising efforts.

If you want to Fundraise offline, download our Donate or Sponsor Form, print out copies, and distribute! Take them to your friends, neighbours, members of any civic group to which you belong, and local businesses you frequent.

Collecting and Mailing in Funds Raised
